

Landscaping for the Watershed

Planting for Pollinators, Wildlife, & Streams

POLLINATOR GARDEN IN THE PARK: A TALK UNDER THE TENT

Thursday, June 15, 2017 - 6:00PM-8:00PM

Rain Venue: Westwood Library, Park Avenue, Downstairs Meeting Room

Girl Scout Park, Third & Fourth Avenues, Westwood

(Park Across Street at Westwood Middle School)

A special talk by CAROLYN SUMMERS, author of Designing Gardens with Flora of the American East, on choosing the best native plants for a multi-purpose garden that will:

- 🌸 Create Habitat for Birds, Bees & Other Beneficial Wildlife
- ❄️ Control Runoff & Snowmelt
- 🌸 Improve the Quality of our Local Waterways
- ❄️ Build Soil & Reduce Erosion
- 🌸 Showcase our Most Beautiful Indigenous Plants

**Sponsored by Bergen SWAN and the Westwood Environmental Advisory Committee
with Support from Rohsler's Allendale Nursery & Florist**

ADMISSION \$10/PERSON

INCLUDES HANDOUTS & REFRESHMENTS
